WY BLM General Conformity Issue Paper for Cindy Beeler SJ edits +SLL.docx

Hi Scott

Thanks for chance to review. I accepted all the edits you made on Tim's draft and then added mine to that version. My overarching goals were three-fold: find ways to shorten (per the senior leadership direction)..I got it down to two pages; reframed for clarity for those not familiar with GC; and respond to Martin's suggestion to offer help to BLM to keep this project moving forward. I've been working on this since you sent it, and sorry it took a bit longer than I thought it would. I've proofed it once, and probably could use another careful read.

I'm on leave starting at 2 today, but will either check-in later today and/or over the weekend so see if there are other ways I can help keep this moving. Also feel free to call my cell if you need something.

Hi Scott,

I tried – still 2.5 pages. See what you think. Think we should then circulate to Sara L.

Thanks!
